

## **Inhaltsverzeichnis von Meister der klassischen Homöopathie. Homöopathische Arzneimittelbilder:**

### **A Abrotanum – Aurum**

Abrotanum  
Acidum muriaticum  
Acidum nitricum  
Acidum phosphoricum  
Acidum picrinicum  
Acidum salicylicum  
Aconitum  
Aesculus hippocastanum  
Aethusa cynapium  
Agaricus muscarius  
Ailanthus glandulosa  
Allium cepa  
Alumina  
Ammonium carbonicum  
Anacardium orientale  
Antimonium crudum  
Antimonium tartaricum  
Apis  
Argentum nitricum  
Arnica montana  
Arsenicum  
Asa foetida  
Aurum

### **B Baptisia tinctoria – Bryonia**

Baptisia tinctoria  
Belladonna  
Bellis perennis  
Borax  
Bromum  
Bryonia

### **C Calcarea carbonica – Cyclamen**

Calcarea carbonica  
Calcarea phosphorica  
Calcarea sulfurica  
Camphora  
Cannabis indica  
Cantharis  
Capsicum  
Carbo vegetabilis  
Caulophyllum  
Causticum  
Ceanothus americanus  
Chamomilla  
Chelidonium majus  
China  
Cicuta virosa  
Cimicifuga  
Cina  
Cistus canadensis  
Cocculus  
Coffea cruda  
Colchicum  
Collinsonia canadensis  
Colocyntis  
Conium maculatum  
Crotalus cascavella  
Crotalus horridus  
Cuprum  
Cyclamen

### **D Drosera – Dulcamara**

Drosera  
Dulcamara

### **F Ferrum – Ferrum phosphoricum**

Ferrum  
Ferrum phosphoricum

### **G Gelsemium – Graphites**

Gelsemium  
Glonoinum  
Graphites

### **H Hepar sulfuris – Hypericum**

Hepar sulfuris  
Hyoscyamus niger  
Hypericum

### **Ignatia – Iris versicolor**

Ignatia  
Ipecacuanha

Iris versicolor

**J Jodum**

Jodum

**K Kalium bichromicum – Kreosotum**

Kalium bichromicum

Kalium bromatum

Kalium carbonicum

Kalium sulfuricum

Kreosotum

**L Lac canium – Lycopodium**

Lac caninum

Lachesis

Ledum palustre

Lilium tigrinum

Lycopodium

**M Magnesia phosphorica – Morbillinum**

Magnesia phosphorica

Medorrhinum

Mercurius

Mezereum

Morbillinum

**N Natrium muriaticum – Nux vomica**

Natrium muriaticum

Natrium phosphoricum

Natrium sulfuricum

Nux moschata

Nux vomica

**O Opium – Ornithogalum umbellatum**

Opium

Ornithogalum umbellatum

**P Paeonia – Pyrogenium**

Paeonia

Palladium

Petroleum

Phosphorus

Phytolacca

Platinum

Plumbum

Psorinum

Ptelea trifoliata

Pulsatilla

Pyrogenium

**R Ranunculus bulbosus – Ruta graveolens**

Ranunculus bulbosus

Rhododendron

Rhus toxicodendron

Ruta graveolens

**S Sanguinaria canadensis – Symphytum**

Sanguinaria canadensis

Sanicula aqua

Sepia

Silicea

Staphisagria

Stramonium

Sulfur

Symphytum

**T Tarantula hispanica/cubensis – Tuberculin-Nosoden**

Tarantula hispanica und

cubensis

Terebinthina

Theridion

Thuja occidentalis

Tuberculin-Nosoden

**U Urtica urens**

Urtica urens

**V Veratrum album – Viscum album**

Veratrum album

Veratrum viride

Viburnum opulus und prunifolium

Viscum album
